Endless Whitening Program

Otsego Dental Group is proud to offer our patients Whitening for Life! We pride ourselves on the smiles that leave our office. This program is extended to patients who have proven that they take their oral hygiene and general dental health seriously. We believe it is extremely important to maintain recommended hygiene care appointments and to receive necessary dental treatment to maintain a healthy a beautiful smile. In fact, patients who maintain regular hygiene appointments and receive recommended treatment, on average spend less money on dental care than those who only see a dentist when they perceive a problem exists. All too often, people who wait until there is a problem have irreversible damage to their gums, teeth and/or jaw.

Whitening for Life patients will receive one set of custom whitening trays with 2 tubes of whitening gel. With each prescribed hygiene appointment, an additional tube of whitening gel will be dispensed. This privilege, while absolutely free, does require some rules, restrictions, and regulations. Below is a brief description of the qualifiers for this program. Please read through them carefully.

Activation Rules & Regulations:

- Must be at least 18 years of age
- Must complete initial X-rays, professional cleaning, and dental exam
- Must comply with minimum required dental care per Otsego Dental Group
- After completion of all necessary dental treatment, impressions will be taken for professional whitening trays
- Must comply with all Otsego Dental Group policies regarding payment and broken appointments
- Must make all scheduled appointments. Cancellation will be made with a minimum 48 hour notice and original appointment rescheduled within 2 weeks

Lifetime Maintenance Rules & Regulations:

- Must maintain minimum continued care as treatment planned by Otsego Dental Group, its doctors, and staff.
- Must maintain continued hygiene care (3, 4, or 6 month hygiene appointments)
